(Open to secondment for local authority staff)

Home Connections is London's leading provider of choice based lettings (CBL) services. We advertise and let council and housing association properties across a dozen of the Capital's local authorities and many other housing associations. Our services are presented across a number of channels including web, automated multilingual phone, SMS texting, Digital TV and virtual tours. Over 50 local authorities and registered social landlords use our services across the UK.

We are looking for a dynamic Information Systems Manager to manage and direct the development of all ICT systems underpinning the Home Connections Choice Based Lettings (CBL) and Virtual Reality services and Office systems. Possessing excellent communication skills you will manage in house staff and a number of third party ICT companies to ensure the highest quality of software and system support is delivered. You will ensure that all projects are delivered on time and within budget applying Prince 2 project management principles.

In addition to project managing the ICT implementation of new Home Connections projects such as new CBL schemes, software enhancements and government funded projects such as linking housing to employment services, you will also be responsible for managing accessibility, security, business continuity, data management and transfer, and system documentation. You will also supervise helpdesk staff, project managers and multimedia specialists.

Home Connections values the diversity of our community and aims to have a workforce that reflects this. We therefore encourage applications from all sections of the community.

A job description and person specification can be downloaded from the jobs section of the Home Connections website: [www.home-connections.co.uk](http://www.home-connections.co.uk) and applicants should state their suitability for the post based against each of the requirements of the person specification. You should also attach a copy of your CV. The closing date for applications is 5pm, Monday 4<sup>th</sup> August 2008. Applications should be made by email only to [paul.robson@homeconnections.org.uk](mailto:paul.robson@homeconnections.org.uk)
