

# Worklessness

## A toolkit for tackling

### HOUSING EMPLOYMENT CONNECTIONS

Our low cost standalone service can be used with your existing website or your choice based lettings software to plug social housing customers into training and employment pathways.

"HECS offers the opportunity to broaden the housing options offer, by replicating the best, rather than reinventing the wheel, social landlords can transform their response."

**Helen Cope**, author: Tackling Worklessness: A Toolkit CIH/CLG

### MOBILITY

- Cross landlord mobility
