

Registrations

a full suite of software for housing

FULL ONLINE REGISTRATION

Home Connections lean approach and e-forms solution integrates the housing registration process end to end.

Our suite of forms save you money through reducing churn and removing back office processes. Now staff can eliminate the paper trail and get on with the work that really matters.

Proven integration with the major housing management systems

SAVE

£125,000 annually*

SELF ASSESSMENT

- Accessible forms, easy to use
- Offer customers a reality check
